

STRONGVOX HOUSING DEVELOPMENT ON LAND NORTH OF GREENHILL ROAD

All Sandford residents are invited to the
Strongvox detailed plans Exhibition and Consultation Event

FRIDAY 3RD FEBRUARY 2017 4PM TO 7PM

Strongvox Homes Ltd was given outline planning permission for this site last October, after the Planning Inquiry in August. Their detailed plans will be put forward to the Council later on in the year.

**THIS IS OUR CHANCE TO SPEAK UP AND SAY WHAT THE DETAILED PLANS
SHOULD INCLUDE**

Sandford Village Hall Committee agrees that Sandford needs a new village hall. Our village hall is not big enough for another 117 households.

Sandford Primary School is not big enough for the children from another 117 households. The School needs a bigger hall, more classrooms, and open space for play and sports.

Sandford now has no open space for village events, like harvest home. We need an open space big enough for the whole village to come together.

Please visit the Exhibition this Friday 3rd February between 4 pm and 7pm.

Please tell Strongvox what you think the detailed site plans should include- if we don't speak up, then the plans will go through as they are.

Please let us know what you think as well, by sending a message to snag@winscombeandsandford.org.uk, or in the SNAG box in the hall

Sandford Neighbourhood Action Group (SNAG)
